## "It's been a good life"

by Hennie Stibbe

"There's been a lot of changes. Now when I ride down Jasper Avenue, Ooh, I don't know the town anymore." Mrs. Helen McArthur has lived in Edmonton 53 years. The sprightly, silver haired lady with a touch of Scotland still in her voice, will celebrate her 103rd birthday this Saturday at the Youville Home where she has been in residence for the past two years.

"It was not always easy," she says, "but somehow we managed to struggle along." Mrs. McArthur says hers has been a quiet life, "no different from any other woman with a family to raise." Mr. and Mrs. McArthur had seven children, six of whom are still living.

Born in Castle Douglas in the south of Scotland on Burns Day, 1866, Mrs. McArthur travelled to Philadelphia as a young girl to stay with her brother. Together they went to South America for awhile and then moved back to the U.S. where she met and married Peter McArthur, in New York.

Mrs. Helen McArthur, of the Youville Home who will celebrate her 103rd birthday this Saturday. With her are her son and daughter-in-law Mr. and Mrs. William D. McArthur, from Victoria.

Because Mr. McArthur's health was failing, they went back to Scotland, but "it seemed so small," we did not like it anymore." So in 1911 the McArthurs left Glasgow on the 20th of May,

arriving in the Mannville, Alberta, area on the 5th of June. Four years later her husband passed away, and Mrs. McArthur moved to Edmonton.

Among the business conducted by the Town Council on Jan. 13 was the problem of incorrect advertising of some town land which is to be developed. It was not noticed until after the tenders were opened and disclosed to the public that the property was advertised for development of single family dwellings only, and not, as was originally intended, for all types of residential dwellings.

Although Councillors Russell and Wheatley argued that the offer must be returned and the area re-advertised, they were overruled by the rest of the council who decided that their error didn't count and that everything would have

to go ahead as originally planned.

The second interesting highlight of the evening came, oddly enough, with the routine appointment of a Returning Officer for the upcoming referendum. After the appointment of Mr. C. P. Moore, it was disclosed that he had already been hired some time previously, and had almost completed most of the tasks assigned to that office.

On the continuing matter of the external clutter surrounding Jasper Auto Parts, the council rejected a proposed deal between the two concerning the application of the nuisance by-law. Already brought to court twice because of this matter, Jas-

per Auto Parts had proposed that an arrangement be made as to the number of cars that were to be allowed to remain outside the yard along the fence. Having upped the maximum fine from \$50 to \$500, council decided to leave the matter in the hands of the civic officials, who would press charges if any other violations were deemed to have occurred. It was also disclosed that the company had already expanded their operations into the northern portion of their property, although they had not received the consent of the council to do so. It was explained that they had lost the right to expand without consulting council when they had closed down that portion of the yard previously and operated exclusively in the southern area. No action on this matter was discussed.

In other business, council decided to expand the R.C.M.P. detachment at St. Albert by two officers and to join the Edmonton Area Industrial Development Association. Routine by-laws

## Sub post office to open

A sub post office will be set up in St. Albert to handle Saturday traffic when the Canadian postal service goes on a five-day week Jan. 17.

Postmaster Al Mitchell is attempting to locate the sub post office in one of the business establishments in the Grandin Shopping Centre.

Sub post offices are not affected by regulations concerning the five-day week, which Postmaster General Eric Kierans claims will save the Canadian government \$13,000,000 yearly.

In areas served by letter carriers, sub post offices located in drug stores and similar establishments will remain open to provide a wicket service, where

## Compulsory inspections don't affect St. Albert

A good many St. Albert residents are breathing a little easier these days.

They have just found out that they will not have to run their vehicles through the compulsory inspection centre which went into operation in Edmonton Jan. 6.

It was originally announced that residents of St. Albert and Sherwood Park

would have to accompany their Edmonton neighbors through the inspection centre, which is being operated by the City of Edmonton under the auspices of the provincial government.

But Stan Rodway, director of the centre, said Tuesday that Minister of Highways Gordon Taylor later ruled that the two suburbs

would not come under the Edmonton centre's jurisdiction.

Mr. Rodway said, however, that St. Albert and Sherwood Park would probably not escape the inspection program for long.

"It will eventually be compulsory throughout the province," he said. "Testing stations will be set up at many rural points."

It is believed, however, that St. Albert will at least be exempt until some time in 1970.

Besides Edmonton, testing centres are at present operating in Grande Prairie and Red Deer.

Mr. Rodway said Edmonton residents have not been exactly beating down the doors to get into the centre, but he attributes this to the cold weather.

In its first two weeks of operation the centre tested only 3,500 vehicles, 665 of them rechecks. The centre, open from 8:30 a.m. to 9:30 p.m. Monday through Friday, can test from 800 to 1,000 cars a day.

This could cause a tremendous rush come the March 31 deadline for 1960 vehicles or older," Mr.

Rodway said, adding that owners would be liable for a fine if found operating vehicles without a safety sticker after the deadline.

Vehicles of 1960 or older must be inspected by March 31. Vehicles from 1961 to 1963 must be inspected by June 30 and 1964 and 1965 models must be inspected by Sept. 30. All vehicles must be inspected by Dec. 31.

If everything is in order a safety sticker, good for one year, will be affixed. If a vehicle falls on any of the 84 points in the test, the owner will have 14 days to correct it before retesting is required. A vehicle will be allowed a maximum of four tests. If it still fails, it will be taken off the road.

Owners must pay \$2 for the first test and \$1 for retests. A vehicle damaged in an accident must be reinspected within 48 hours of being put back into service.

Mr. Rodway said about 50 per cent of the vehicles are passing the test first time through and about 94 per cent on the first rechecks.

but one were in the affirmative.

"Something fairly concrete will happen in February," she said, "because indications from the survey are that the need is there and people want it."

Mrs. Lien said the committee received many sound suggestions as besides completing the questionnaire, many residents added comments.

The "home help service" provides assistance in home and child care during illness, convalescence, etc.; home management assistance; part-time help with housework; transportation in emergencies; all at a nominal charge.

The plan is common in England and many Scandinavian countries.

Working with Mrs. Lien at present are Mrs. Louise Rasmussen, Mrs. Stephanie Hyne, Mrs. Sepke Nymeyer, Mrs. Marion Fyfe and Mrs. Susan Vanderstraten.

They are seeking volunteers to assist in setting up the service and anyone interested should phone Mrs. Lien at 599-8832.

The group would like to elect an official executive in February.

## Sturgeon hospital not hiring

When the Sturgeon General Hospital opens for business next year, it should have no shortage of staff.

That is, if the phone calls to hospital administrator Gordon Townsend's office are any indication.

Mr. Townsend said Tuesday his telephone has been ringing constantly with people from St. Albert and district asking to have their names put on a list of staff he is compiling.

"But we're not compiling a list," he told The Gazette,

"It's a little premature to be thinking about staff. The scheduled date for the opening of the hospital is not until June of 1970."

Mr. Townsend said he was pleased, however, that there is so much interest within the district.

"When we start looking for staff," he said, "priority will be given to people from the hospital district."

He said the board will advertise when hiring is to commence.

An AP news item from San Antonio, Texas caught my eye recently. It says drunken gold fish that live in lakes of liquor may hold a key to explaining man's behavior while under the influence. As part of a \$67,000 research project, Dr. Irving Geller of the Southwest Foundation for Research and Education is studying the way his fish react while actually swimming in booze. Hm, very interesting... last one in, etc....

One of the many championships of curling brought Mrs. Brian Kane of 59 Sunset Blvd. a visit this week from her brother, Cpl. Don Smart of Canadian Forces Base Baden-Baden in Germany.

Don is curling in the Canadian Forces championship now under way at Lancaster Park. He throws lead rocks for Gilt Booth, a native of Saskatoon, who recently won the air division championship at Zwickbruchen, Germany.

# Letter to the Editor

If the Weekly Newspaper Association gave out awards for misleading reporting, the Gazette would win in a landslide for its report of last Monday's council business. The accompanying editorial was obviously written by someone who didn't even bother to attend the meeting and managed to completely ignore the facts and circumstances of the evening's business.

Councillor Lukay is portrayed as a bumbling but honest fellow who is deprived of his democratic right to free speech by a political technique. The Gazette chose to ignore the fact that council had already given an extension of the mandatory 11 p.m. adjournment and that Councillor Lukay had already spoken twice on the matter of the amalgamation referendum. Furthermore, Councillor Lukay has been on council for a year now and should know what every Grade 10 student knows; make a mo-

tion and then speak to it. Councillor Lukay gave council a somewhat disjointed and meaningless discourse of his personal views on the amalgamation referendum and then sat back in his chair hoping someone else would pick up the ball. Since the time was past 11:15 p.m. I moved adjournment and as the Gazette fails to mention, I was supported by the majority of council.

Councillor Lukay has had six months to move a motion to cancel or postpone the referendum and why he waited until all the arrangements have been made for the vote before he decided to raise the issue escapes me. However, Councillor Lukay has reversed his field before on other council decisions so one shouldn't be surprised at his latest antics.

As far as the question of the referendum is concerned, I have always felt that it should have taken place at last fall's civic

elections in order to get a maximum number of voters to express their opinion. However, it is vital that your council have some expression from the ratepayers on the matter of amalgamation.

We are faced with many decisions that can dramatically effect the future of this town and as one of your councillors, I was to know how the people of this town feel, and even a low turnout at the polls is an expression of opinion.

Our budget will be set within the next few weeks and the results of the amalgamation vote will influence my vote on several budget items.

Our negotiations with other municipalities is also a factor that can be affected by the amalgamation vote and while it is true that St. Albert can have little do

to force amalgamation, we as a council will be in a strong position to negotiate the terms of annexation if it is forced upon us by the provincial cabinet.

Surely the members of council have a right to know how the people of this town feel about this matter so that we can govern ourselves accordingly over the weeks ahead.

Robert Russell.

## \*EDITORS NOTE

Councillors voted as follows on the motion by Mr. Russell to adjourn last week's meeting, thereby ending discussion on the merit of an early vote on the amalgamation question:

For adjournment - Councillors Russell, Wheatley and Kambouroff. Against - Mayor Gibbon and Councillor Lukay, (Councillors Bakker and Donalds were not present).

## Council

From Page 1

finalizing the 1968 grant to the Chamber of Commerce and giving the town the right to borrow up to \$500,000 against the collection of this year's taxes were also dealt with.

The annual grant to the library was raised from \$1 to \$1.50 per capita under pressure from the provincial government, although a strong protest is planned. The province has raised the amount which must be pledged by the municipalities before they will donate their maximum grant.

It was decided that the polling hours for the plebiscite will be 10 a.m. - 8 p.m. 5 Feb., with advance polls held 4 - 8 p.m., 31 Jan. and 1 - 5 p.m., 1 Feb. Voters not on the voting list may be sworn in only at the Town Hall.

Mayor Gibbon and the fire chief will be going to

convention of the Alberta Emergency Measures Organization to be held late next month. Councillors also clarified the matter of their pay. Previous policy had made it possible for a councillor to claim double the normal pay for a single evening if he wished, due to a technicality. An agreement is to be negotiated with the Creative School Society for the use of the Arts and Crafts Centre.

Some of the final business of the evening saw the minimum assessment rate for family dwellings, except apartments, pegged at \$6,000 and a request forwarded to the provincial government for the appointment of an Assessor.

Experience is what makes you recognize a mistake when you do it again.

## "Good li fe"

From Page 1

How many descendants are there, we asked. The answer flashed back immediately: 19 grandchildren, 43 great grandchildren and, this with an obvious note of pride, "one great-great-grandson."

Mrs. McArA still takes a very active interest in her family. "Now with the cold weather, I don't see them as much as I'd like. There's one lucky thing about being born on Burns Day, though, nobody ever forgets my birthday."

Looking down at a spray of heather presented to her by the St. Albert Square Dance Club who entertained at a birthday party held on the home Jan. 18 for all residents who celebrate a birthday this month, Mrs. McArA said "Wasn't that nice of them. It's like a touch of home."

Mrs. McArA never got around to going back to Scotland for a visit after she left 58 years ago. "I did travel to Vancouver once, on a plane, when I was 92."

she said, "the first and only time I'd ever been on one." Asked how she enjoyed it, she replied, "It was nice, but you don't see much."

The trip nearly ended in disaster for Mrs. McArA. The flight she had been scheduled to take, but changed for a later one, was wrecked in a crash. Did this experience scare her off? "Och, no, I'd fly again, if I had to. It's the best way to travel if you have to get someplace in a hurry."

"I'm happy here in the Home," she said. "The Sisters and the girls look after me well. It's a good thing to know someone is near, should you need them."

Looking at her son and daughter-in-law, who travelled from Victoria to be with her when she celebrates her 103rd birthday, and a grandson, his wife and son, all visiting in one of the bright, spacious lounges of the home, Mrs. McArA simply said "Yes, it's been a good life."

# Fish and game group fighting Bighorn Dam

The St. Albert Fish and Game Association is continuing the fight it started last fall against the proposed Bighorn Dam which would sit on the North Saskatchewan River about 80 miles west of Rocky Mountain House.

A delegation from the association presented a petition to Lands and Forests Minister Henry Ruste last week, asking for cancellation or relocation of the dam.

The delegation claimed the dam, which would flood part of the Kootenay Plains, would have serious effects on big-game populations.

The delegation pointed

out that the government had originally said that 9,000 acres would be flooded, but that recent announcements indicate that now 13,700 acres will be.

Association president Gordon Kirby headed the delegation. Others in it were Don Hayden, vice-president; Aram Zimmer, director of the good and welfare committee; and Gordon Stretch, a member of the good and welfare committee.

Also present were Keith Everett, M.L.A. and member of the association, and Gordon Kerr, chief wildlife biologist for the province whose presence was arranged by Mr. Ruste.

The provincial government recently entered into an agreement with Calgary Power for construction of the 300-foot high dam, which cost about \$30,000,000, of which the government will supply \$5,000,000.

The dam would provide power water management and a large lake which could be used as a recreational site for boating and fishing.

The association said that after Mr. Kerr was questioned by Mr. Ruste on the effect of the actual flooded area in relation to the game in the area, it was established that the "partial flooding" would include almost all of the sheep winter range and 800 to 1,000 acres of the elk winter range.

This would result in possibly the complete loss of the sheep population and

possibly half of the elk population, which grazes in that area during the winter.

The association described the plains area as "the survival CORE of a vast and world-famous habitat, internationally renowned for its scenic beauty" and as "the choicest piece of real estate to fish and game enthusiasts in Alberta."

Mr. Ruste promised to follow up many points brought up by the association. He said that an alternate site had been given consideration but that certain foundation problems existed there so it was abandoned.

Mr. Ruste said the height of the dam could not be lowered because of commitments with Calgary Power.

The association also expressed concern that it

wasn't provided with adequate information about the project, to verify the exact amount and location of the parts of the Kootenay

Plains to be flooded, during the time when it could have filed its objections to the project with the water resources branch.

## Sub Post Office

stamps and money orders may be purchased and where items requiring weighing and documentation may be mailed.

At the St. Albert post office, Mr. Mitchell said, lock box delivery and general delivery will be provided from 9 a.m. to 1 p.m. each Saturday.

He said customers who must have Saturday mail will be able to obtain it by arranging receipt through a lock box. However, they would have to take delivery through the box at all times.

He said weekend street

letter box collections will continue to be made and mails will continue to be received and dispatched.

There will be no change in smaller centres generally served by post offices operated in conjunction with a private business or from a private dwelling.

Rural routes, where contractors provide a postal service to boxes located on or near the property lines of farm homes and to some residences on the fringes of suburban areas, will also continue as present.

Men are often capable of greater things than they perform. They are sent into the world with bills of credit and seldom draw to their full extent.

Young man: "Do you think  
I could lead a good Christian  
life here in the city on \$20  
a week?"  
Minister: "My boy, that's  
all you could do."

An army psychiatrist was  
examining an inductee.  
"What's your occupation?"  
said he.  
"I'm a gag writer."  
"Let's see you make  
something funny out of this  
situation," said the doctor,"  
jokingly.

The inductee went to the  
door, looked down the long  
line of draftees and said:  
"Okay, you guys can go  
home now - the job's taken."

#### BEEFSTEAK AND ONIONS

There's no better main course than beefsteak and onions for a rib-sticking meal with plenty of robust flavour. Fresh onions braised with beef provide the kind of cold weather meal that will please the whole family.

Tender and tasty, the onion is an economical fresh vegetable and available throughout the year. Serve satisfying fresh onions fried, boiled, baked, creamed, stuffed or sautéed. Nutritionally, they provide a variety of minerals and vitamins, and as a bonus to dieters who like their meals to taste good, are happily low in calories.

Why not serve this tempting dish tonight?

#### BRAISED STEAK AND ONIONS

1-1/2 pounds round steak, about 1 inch thick  
Salt and pepper

Flour  
2 tablespoons salad oil  
1 cup beef broth or bouillon  
3 medium-sized onion, sliced

Season steak with salt and pepper. Coat lightly with flour. In a heavy skillet, brown steak slowly in hot oil on both sides. Pour broth or bouillon over steak. Cover and cook over low heat 30 minutes. Turn steak. Arrange onion slices over steak. Spoon pan drippings over onions. Cover and cook 30 minutes or until steak is fork-tender. Makes 4 to 6 servings.

## A matter of taste

There is no such thing as a national taste for food in Canada, according to a recent poll reported in "Marketing." The report lists these differences in taste from region to region in Canada.

In British Columbia and the west, one brand of coffee (Nabob) has always dominated; everywhere else across the country, it is another well known brand (Maxwell House). Neither brand has been able to make inroads into the other's territory despite expensive attempts on both sides.

Easterners consume far more instant coffee than westerners, and when they drink ground coffee they prefer a milder brew. Westerners are more like Americans... they go mostly for ground coffee, good and strong.

Quebeckers consume about 80 times as much molasses as the rest of the country. They also constitute the largest per-capita soft drink market in the World, including "spruce beer", a popular summer thirst-quencher.

Maritimers like more carbonation than other Canadians in their soft drinks, though it is said to kill the fruit flavor. It seems one regional bottler dominated the Atlantic market for so long, that his high-fizz product became the criterion on the east coast.

Though coffee is strong in B.C., the tea connoisseurs are in the Maritimes, where tea sales are not only proportionately far greater than in the rest of the country, but they tend to be concentrated among the better-quality brands.

Ontarians like thick pectin-added jam; Quebecers like theirs runny. Quebecers buy two olives to Ontarians one, and they must be unpitted, not stuffed. On the other hand, English speaking Canadians buy four times as many pickles as their French speaking cousins. Quebecers buy more expensive cuts of meat (like hind quarters) than Ontarians. Canned quickie meals... chile con carne, weiners and beans, even canned salmon, go nowhere in Quebec.

## Judy Carruthers, Leonard Crozier wed

Leonard Roy Crozier and Judy Ann Carruthers were united in marriage by Rev. Robert Stobie in a beautiful ceremony in Robertson United Church recently.

Leonard is the son of Mr. and Mrs. Chester Crozier of R.R. 2 St. Albert and Judy is the daughter of Mr. and Mrs. John Carruthers of 12312 130A St., Edmonton.

Following the wedding the couple left on trip to Jas-

per and Banff. They will reside at Nampaw.

The bride, given in marriage by her father, wore a gown with lace bodice with leg of mutton sleeves, high neckline, satin skirt, and satin train with set-in lace. She carried white roses with heather.

She was attended by Miss Pam Crozier and Miss Irene Crozier, both of whom wore purple velvet gowns and carried mauve flowers.

Mr. Gene Gathier and Mr. Alan Crozier attended the groom.

Mr. Ron Crozier and Mr. Dave McDougall were ushers.

Wedding music was supplied by Mr. Millson, solo by Mr. Ron Nelson.

A reception was held in the Club Mocombo in St. Albert. In the receiving line were the bride and groom and their parents.

For the wedding the

bride's mother chose a gown of beige and gold knit brocade. The groom's mother wore a turquoise knit suit with silver trim.

Out of town guests were Mr. and Mrs. Joe Mercier and Mrs. Velma Hammer of Olds; Mr. and Mrs. Erwin Hunking of Morinville; Mr. and Mrs. James Coulbourn of Munson; Mr. and Mrs. Ellis Coulbourn and Mr. and Mrs. Wayne Davidson of Vermilion.

# Hospital seeks auxiliary

Important to the functioning of the St. Albert Hospital will be a ladies auxiliary, Mr. Gordon Townend, hospital administrator, told the Gazette it is not too early to be forming such an auxiliary here. The hospital is expected to be in operation by June, 1970.

The auxiliary could start almost immediately on a fund raising campaign, Mr. Townend said, pointing out that hospital auxiliaries are generally responsible for contributing luxury items of equipment and furnishings to community hospitals over and above the necessities purchased by the administration.

Mr. Townend has some

very definite ideas as to how an auxiliary should function. He feels it can do a tremendous service in support of hospital boards and administrators by providing extra services and facilities such as book-wagons, concession stands, visitations, greeting patients upon admission and other related services which would help make the patients' stay in hospital more pleasant.

Mr. Townend hopes to get a junior group, the so-called "candy strippers" started as well. "We want to get away from any business-like atmosphere," he said, "and give our hospital a warm, friendly atmosphere."

Mr. Townend would be happy to hear from any women who feel they are capable of spearheading an auxiliary and work in close liaison with the administration. Any women from St. Albert or other areas in the hospital district interested in this very rewarding work and who would like further information are invited to call Mr. Townend at 599-3467.

## Recreation in St. Albert

ARTS & CRAFTS GUID

The registration for the winter program which took place at the Arts Centre last Saturday resulted in most of the classes offered being filled and a few cancelled due to lack of interest. Apologies are due to those who were unable to wait because of the large numbers of people who were there to register. Those who were disappointed because the class they were interested in was either full or cancelled can hope that they will be luckier in the next session.

There are still a few openings in the following adult classes: Beginners' Bridge and Copper Enamelling. The adult ceramics class will start on Monday, Feb. 17 at 8 p.m., and registrations for this class are still being taken. A few more registrations are required before the Home Accessories and Advanced Dress-making courses can start.

Please phone the department of parks and recreation (599-6601) for information.

### BADMINTON

Beryl Harding and Tony Raven were the winners in the Novelty Doubles Tour-

The past year saw the completion of many projects for the St. Albert Women's Institute. Several new members joined the group which is now in its 24th year. Some 35 members and non-members, several coming from Edmonton and Bon Accord, enrolled in the handicraft course which was culminated with a display and tea in February. The group sponsored its ninth

## WI enters 24th year

Annual Festival of Fashions which was again well attended.

A highlight of the year was the visit of Mrs. Ernest C. Manning who addressed the W. I. and showed slides taken on a recent journey to the Holy Land. In June the St. Albert W. I. won its third Handicraft Cup at the Smoky Lake constituency conference.

Many hours were spent at the community hall grounds where the group has planted a large number of trees, plants and flowers, a continuation of their Centennial project. A fund has been started which will go towards purchasing some, as yet undecided, equipment for the St. Albert Hospital. A photograph of Mrs. Atkinson was presented to the Library Board. Mrs. Atkin-

son was the originator of the first library in St. Albert many years ago. The group collected several boxes of books for distribution in Inuvik.

The W. I. was well represented in the Rodeo Parade with a large colorful float. Gifts were donated to the Alberta Hospital for the patients' Christmas Shoppers Fair. Several members visited the institution where they volunteered their time in aid of the patients.

The W. I. participated in Remembrance Day Services at the St. Albert Cenotaph with the laying of a wreath. The group meets monthly and enjoys regular guest speakers and interesting demonstrations.

The executive for 1969 is as follows: President, Lorraine Moore; Vice President, Marilyn Henry; Secretary, Freda Wellar; Treasurer, Irene Bokenfohr; Directors, Louise Fuhrt, Betty Norton, Anne Marie Vennie and Agnes Richardson.

There are bigger things in life than money . . . for instance, bills.

## At the Art Gallery

The Peter Stuyvesant Collection will be at the Gallery until Feb. 9. This collection of 35 large paintings features works of some of the most famous artists in the world such as the Netherlands' Karel Appel, Japan's Key Sato, France's Georges Mathieu, United States' Shirley Jaffe and Shirley Goldfarb, as well as Canada's Jacques Hurlbutse, Guido Molinari, Jean-Paul Riopelle and Claude Tousignant.

Due to a remarkable in-

crease in the number of school classes wishing guided tours of the Gallery, many more active docent members are needed. Classes for docents are on Tuesdays at 1:30 p.m., and all interested persons are welcome to attend. There will be particular emphasis on the practical aspects of giving a tour.

This week, the Gallery, which is located at 2 Sir Winston Churchill Square, features the following events

JAN. 25 - Saturday Film Program: 11 - 11:30 and 2:30 - 3 p.m., especially for parents.  
JAN. 26 - 3 p.m. Family Day Films: The Animal Movie; The Steadfast Tin Soldier; Le Merle.  
JAN. 27/28 - Noon-Hour Program.  
JAN. 29 - 8 p.m. Architecture and the City features part 3, The City as Man's Home; A Is for Architecture and The City and the Future.

Hours at the gallery are Monday - Saturday 10 - 6; Sunday 2 - 5; Wednesday 10 - 10. The telephone number is 422-8666.

### CREATIVE DRAWA

The 10-week course for boys and girls aged 5 - 10 starts in the Clubhouse on Wednesday, Jan. 22 at 4:30. This course has always been very popular and will once again be conducted by Mrs. Shirley Martin.

### SPORTS CLUB

A group of residents is in the process of forming a Sports Club with a view to getting together once a week to play volleyball, badminton - and other energetic games. Anyone interested in getting some indoor exercise during the winter months is invited to attend the first meeting of this group on Thursday, Jan. 23 at 8 p.m. in Sir Alexander Mackenzie School. Enquiries should be addressed to Clay Cutshaw, 3 Seymore Cres. (phone 599-3415).

### TABLE TENNIS

There will be table tennis for adults and older teens in the Clubhouse on Sunday afternoon from 2:30 - 4:30 p.m.

Because of the excellent response to the table tennis program sponsored for young people by the Hercules Sports Association, the group will be split as follows: 7-8 p.m., 10 - 12 years of age and over. The days remain the same, Tuesdays and Fridays but note the change of time.

There must be table tennis tables in town which are not being used and one is urgently required to accommodate all the young people who are so enthusiastic about the game. The Hercules Association has already received the donation of one table and would be very grateful for at least one more. Anyone in a donating frame of mind should phone the department of parks and recreation at 599-6601.

### MEN'S SOCCER

The St. Albert team will be playing Park Rangers B on Sunday, Jan. 26 at 3 p.m. in the Fieldhouse.

Training takes place in Sir George Simpson Junior High School on Friday evenings at 7:30 p.m.

### Y. M. C. A.

Swimming lessons start on Saturday, Jan. 25. Anyone interested should phone Mrs. Phillips at 599-6445.

A Chess Club will be formed if enough people are interested. Age is of no consequence - just phone Mrs. Phillips and let her know if you would like to join.

## Comeau foursome wins St. Albert spiel

Roger Comeau of St. Albert won the 64-rink St. Albert Men's Open Bonspiel Sunday night, defeating E. Budinski of Edmonton 10-4.

It was the sixth straight victory of the week-long 'spiel for the Comeau rink, which included Frank Comeau at third, Lawrence Kluthe at second and Mose Comeau at lead.

Budinski threw in the towel after eight ends.

On his way to the championship, Comeau downed R.

Gislason, Lionel Rouault, D. Sharkey, Pete Husar and S. Gurevitch before giving Budinski his lumps in the final.

Gurevitch finished third in the first event and Keith Kaufman finished fourth. Both rinks are from Edmonton.

Finals of all four events were played Sunday night. B. Burch of Edmonton took top prize in B event, downing Paul English, another city rink, in the final.

Norm Murray of St. Albert took third prize and B. Hampson of Edmonton was fourth. Curling with Burch were Ray Jones, third, Glen Pickard, second and Dr. Gayle Mabey, lead.

Hector Gervais of St. Albert won the C event, outlasting Lorne Brodhan of Edmonton in the final. Gervais went into the 10th end leading 7-6 and holding last rock. He didn't have to throw it.

Gervais had Tom Nuttall at third, Wally Ursuliak at second and Dave Maskalyk at lead.

Gary Hodgins of St. Albert was third in the event. Another St. Albert foursome skipped by Ernie Jamison was fourth.

Lionel Rouault of St. Albert took an extra end to conquer clubmate Bob McMaster in the final of D event. Rouault beat Burch in A event, then lost to Comeau. He stopped in C long enough to get beaten by N. Lysak, then put together the five straight wins required to win D.

Against McMaster, Rouault held last rock in the extra end. He didn't have to throw it as McMaster with his last hit and rolled out, leaving a Rouault biter untouched.

Curling with Rouault were Don Fender, third, Andy Rouault, second, and Jim Akins, lead.

## Plans for payments to arena fund set

The St. Albert and District Arena Fund is now open for business.

The arena committee,

seeking donations of \$100, met with representatives of the Bank of Montreal, Bank of Nova Scotia and the St.

Albert Savings and Credit Union on Saturday and ironed out plans for accepting payments on a monthly basis.

The banks and credit union will act as agents for the fund, granting loans to anyone wishing to donate. The loans will be repayable in 10 monthly instalments of \$10.50.

Although the fund is now officially open, it is expected that it will get its first major boost Monday from a local service club—a donation of \$5,000.

About \$60,000 is required to assure construction of an arena. This is to be added to the \$75,000 the taxpayers have allotted for its construction.

The recent cold spell points out the need for an arena in St. Albert. With it the hockey and figure skating programs could have continued and there would also have been time for public skating.

The hockey program would probably not have continued in its entirety, but even a shutdown version is better than nothing. Most teams in the minor system have yet to play their sixth game of the season.

SECOND EVENT WINNERS

...Ray Jones, Bob Burch, Glen Pickard and Dr. Gayle Mabey

## Rouault bows in men's playoff

Ray Rouault will always wonder whether he should have taken it a little easier on Wayne Franchuk of Griesbach in the Zone 5 men's curling playoffs at Westlock last weekend.

Rouault, representing the St. Albert Curling Club, thumped Franchuk 9-3 when they met head-on in the opening draw in the A section of the modified double-knockout competition.

Rouault then lost 8-5 to Harry Stieger of Clyde, which dropped him into the B section. There he downed Octave Himschoot of Morinville 8-5.

And then he found himself with a return match with Franchuk.

This time the shoe was on the other foot or the gun was in the other hand, whichever you prefer. At any rate, Rouault was never in it as Franchuk came out on top 8-2.

Franchuk's jubilation was shortlived, however, as he bowed to Ron Miller of Westlock in the B final. Miller's smile also didn't last long as Stieger, the A event winner, knocked him off to win a berth in the Northern Alberta final.

Rinks from Athabasca, Lancaster Park, Barrhead, Colinton, Swan Hills and Llinaria also competed in the playoff.

## Hoop loop all tied up again

It's a three-way tie again for first place in the Northern Division of the North Central Zone High School Basketball League.

Paul Kane High School, idle last week, again has St. Albert High and Barrhead for company, each with six points. St. Albert High, however, has a game in hand. St. Albert boys squeezed by Westlock 36-35 and Barrhead defeated Athabasca 37-34.

In Southern Division play, Salisbury piled up the highest end total of the season in defeating Stony Plain 86-38. Concordia defeated Ardrossan 48-42.

In girls' action in the Northern Division, Westlock rolled up its fourth straight victory, defeating St. Albert High 22-20. Barrhead defeated Athabasca 28-27.

In the Southern Division, Salisbury defeated Stony Plain 44-21 and Ardrossan defeated Concordia 36-13.

Emily Yost from Fort Saskatchewan won the Northern Alberta ladies curling championship at Sedgewick Monday, defeating Vivian Backer of Lloydminster to sail through the modified double-knockout competition undefeated.

Mrs. Jean Rankel of St. Albert gave Mrs. Yost one of her closest shaves on her way to the title.

Trailing 9-8 coming home, Mrs. Rankel had one stone buried and another partially hidden when Mrs. Yost came to throw her last rock. She was wide but she wicked off a stone in front to clean out one of Mrs. Rankel's rocks and leave the game tied.

Mrs. Yost won it with last rock on the extra end,

chipping out a partially-guarded Rankel stone to leave a biter of her own as shot rock.

The Rankel rink, which only took to the ice twice as it got one bye and a default win, lost another squeaker in bowing out of the competition.

Tied coming home against Bea Copeland, Mrs. Rankel had to fight against last rock. With a Copeland stone in the house in front of the T line and nothing in front, Mrs. Rankel could only hit and hope for a Copeland miss. Mrs. Copeland didn't oblige.

Curling with Mrs. Rankel were Pearl Quintal, third, Shirley Fisher, second, and Anita Ratchinsky, lead.

# Provencal's 5 goals ends Comets' streak

The next time St. Albert Comets come up against Vimy in Sturgeon River Senior Hockey League action, they will probably assign one man the job of checking Leo Provencal.

Don't, however, expect that man to be packing a hockey stick. He'll more likely be packing a gun.

That appears to be the only way anyone is going to stop Provencal this season.

The top goal-getter in the league for the past several seasons, Provencal scored five goals in Morinville Arena on Sunday afternoon to almost single-handedly defeat the Comets.

When the smoke had cleared after three hectic periods, Vimy was on the long end of a 6-4 count and St. Albert's eight-game undefeated string was at an end.

The score was tied 1-1

after the opening period but Vimy had crept ahead 5-4 after two, and scored the only goal of the third.

Richard LaPlante scored the other Vimy goal.

Lou Martineau scored two goals for Comets and Terry Dube and Al Miller got one each.

George "Gentle Ben" Dundas was playing his first game on defence for Comets since receiving a three-game suspension for an

altercation with a Morinville player after a game there Jan. 5.

Comets, playing under the colors of the Purple Dude, downed Westlock 6-1 in their only other game last week.

Ray Lamer scored twice for St. Albert and Rich Perreault, Joe Cassidy, Vic Roberge and Fred Hesse each counted once, Goran scored for Westlock.

St. Albert took a 5-1

lead in the first period and got the last goal of the game in the second.

## Parental support poor for Legal puck tournament

by Robert Chauvet

Most people care about senior hockey but few are interested in the minor teams and fewer yet bother to attend their games. One tends to think that only seniors can come up with fast and interesting games.

Yet in the six-team juvenile tournament that took place in Legal and Morinville this weekend we saw some of the most interesting hockey played this year. The last game Saturday

aid between Legal and Holy Redeemer turned out to be one of the fastest and most exciting hockey game played in Legal Arena this year.

The game had all the spectators on needles till the last minute when Legal scored the insurance goal when they were short handed. The final score was 7-5 for Legal, but it could have gone either way as both clubs played very well.

Most games were excellent as the boys played all out, clean and hard skating hockey. The referees did their jobs well and the ice

was in good condition throughout the tournament. The teams involved were Concordia, Holy Redeemer, Legal, Morinville, St. Anthony and St. Jean. They each played three games in the two days. Two games were played in Morinville and seven in Legal.

We must congratulate the league for putting together this tournament and the teams and coaches for this excellent showing.

We regret, however, the lack of parent support for this event. The players have been working hard and their efforts surely should get more recognition than they have been getting. There should have been at least 300 to 400 spectators in the two days and not even 200 showed up.

Finally I wish to note the untiring and devoted work of Rene Maurier as director of the Knights of Columbus youth committee for the week he did with the hockey teams in this tournament. His efforts resulted in a very well run and successful tournament.

## "Meshuga, yoo-hoo"

### add to language explosion

The English language seems to be undergoing what might be called a "language explosion". Dictionary editors are hard-pressed to keep up with it. For instance, the 1969 edition of World Book Dictionary contains 14,000 words and phrases that were not in the 1968 edition. Editors had to add 150 pages to jam in all the new words!

It seems as though forming new words is everyone's business... the politician, the scientist, the economist, the fashion designer, the man on the street, and of course, the teenager.

The politicians have given us "conspiracy of silence" and "gapisis". The scientist gave us "endoradison-

de"; the economist came up with "macroeconomics" and "microeconomics"; and the fashion designers came up with "miniskirt."

Here is a handful of the new words and phrases added to the World Book Dictionary for 1969. How many can you identify?

Beat man, brain picking, chicken colonel, cutesy, diploma mill, dodo ball, file 13, funk, gucky.

Meshuga, nebbish, nudnik, schlepp, ski-bum, telephontitis, yoo-hoo.

Some of these words have been around for a long time, as slang or argot. But now that they are in the dictionary, they're official.

No fair asking anybody, Look them up!

FOURTH EVENT WINNERS

## St. Albert boxers to defend titles

Two St. Albert boxers will lay their provincial amateur junior championships on the line Saturday night.

Jim Kelly has accepted a challenge from Brian Lee of Hinton and the 100-pound division bout will be held in conjunction with a card sponsored by the South Side Legion Boxing Club in the Strathcona Legion Hall.

Gary Larsen, who only won the 80-pound champ-

ionship two weeks ago, will risk his crown against Joey Savard of the South Side Club.

Larsen about the busiest fighter in the St. Albert club, took the title from Miles Payton of South Side Club with his fifth straight victory of the season. He was winless in three starts last season.

Kelly and Larsen are the only St. Albert boxers taking part in the card.

## Trade fair coming to Westmount

The Junior Achievement Trade Fair is coming to Westmount Shoppers Park, Friday, Jan. 24 from 7-9 p.m., and all day Saturday. Some 16 companies will set up shop in the South Mall where they will sell products designed and manufactured entirely by Junior Achievement members.

Mr. Andrew Mills, executive director of Junior Achievement told The Gazette Tuesday there are some 200 young people aged 15-19 presently active in Junior Achievement. Subsidized by the business community which pays Mr. Mills' salary, the rent on the business centre and purchases

the required tools, Junior Achievement provides a practical course in economics and affords young people an opportunity to learn how business operates by actually functioning as part of a company. Local businessmen also volunteer their time as advisors.

Mr. Mills would be most pleased to hear from any high school students who would like additional information. His number is 433-7914. His members are expected to spend at least two hours a week at the centre and should be prepared to go out and sell their products.

## Community news

### WELLINGTON PARK

A Teen Platter Party will be going full blast at the Community Hall from 8:30 p.m. till 11:30 p.m. on Saturday, Jan. 25. Charley Brown of radio station CHED will be master of ceremonies and everyone is invited to come and have a blast.

Big plans for the Winter Carnival at Wellington this year. All eyes will be watching guest figure skater Barry Frazer, an area resident who skates with the Gateway Figure Skaters. Although only 11, Barry returned from the Prairie Sectional Competitions in Calgary recently with the Juvenile Men's Championship. Barry will be joined by local skaters and some from the Edmonton Figure

### Skating Club.

The carnival will also host hockey games and will see the crowning of Alocat Carnival Queen. Admission is free and refreshments are available, so come on out and enjoy yourself.

Later that night the adults will have their chance to relax to the music of the Three Sharps at a dance. It will start in the Community Hall at 9 p.m. Although the fellows have to pay \$1 to get in, ladies are admitted free. Sounds like good fun.

### CALDER

The Winter Carnival will be held this year on Jan. 26. Further details can be obtained by phoning Mrs. Bahniuk at 455-6426 or Larry Jones at 454-9197.

### KIRK UNITED

Kirk United Church will be starting a men's volleyball league on Jan. 27. Open to all who wish to participate, they hope to be able to form four teams. For further information phone the church office. The Adult Bible Study classes are starting again every Sunday night at 7 p.m. in the church. Anyone is welcome. Next week the sermon topic is "A Time For Intolerance" which will look at the need for less tolerance by Christians in certain areas of human behaviour.

### MESSIAH LUTHERAN

The Messiah Lutheran Church will be holding a young peoples retreat at Mullart on Pigeon Lake this weekend. Looking inwardly, they will discuss both how the church can relate the gospel to young people and how the youth of today can serve the church. Reverend O. Kaminiski expressed the hope that some insight might be gained on both sides so that the problem of young "church dropouts" might better be met.

## Legal Locals

Joseph Roger Francis son of Mr. and Mrs. William Cyr was christened Sunday by Father Martineau. Proud godparents were Mr. and Mrs. Francis Bacha from Edmonton.

Mr. Henri Brisson, Mrs. Marianne de Champlain and Mrs. Alexina Deslauriers are mourning the loss of

their brother Amedee Brisson who passed away last week in an Edmonton hospital.

Mr. and Mrs. Frank Rivard, accompanied by Mr. and Mrs. Roch Proulx will leave on Jan. 25 to spend a month enjoying the warmer climate in Hawaii. "Bon Voyage!"

## Vimy

In the General Hospital and Lorraine Hut.

Darcy Baert is now in Nojack, where he is employed.

Mrs. John Ringuette spent two weeks at the home of Mr. and Mrs. Albert Blanchette.

H. L'Oiseau and Rolly Fagnan spent a few days in the area before returning north to the oilfields.

Funeral services were held Saturday Jan. 18, for Mrs. M. Letourneau, pioneer of the district.

The Legal Sturgeon Senior Citizens Home was the scene recently of a happy and memorable birthday party held in honor of Mrs. Napoleon Berube for his 98th birthday. Mr. Berube originally from Beaumont and the late Mrs. Berube raised 12 children. Arthur who is 74 years young is also a resident of the home. We rarely see father and son both residents.

Mr. Berube at 98 is still

very active and can outplay you at cards anytime.

To conclude the celebration the family had prepared and served lunch to the 75 relatives and friends attending. They presented their father with a huge birthday cake to which everyone enjoyed a piece.

To you Mr. Berube and your son Arthur we want to wish you good health and many more years amongst our Senior Citizens.

## Rites held for Emile Prefontaine

On Jan. 11 Mr. Emile Prefontaine passed away at the age of 45. Mr. Prefontaine was born and raised in Legal. He was a very active person in the community and was also a member of the Knights of Columbus. He is survived by his loving wife Rita and six children, Emile St. Paul, Lucien, Joanne, Donald, Alice and Marie all at home. His mother and father, Mr. and Mrs. Rene Prefontaine four brothers and seven sisters.

Funeral services were held on Jan. 14th, in St. Emile's Roman Catholic Church. The Holy Mass was concelebrated by Father Martineau and the deceased's uncle, Father Claude de Champlain from McLennan, and his cousin, Father Claude Prefontaine from Mayerthorpe.

Mark and Rene Prefontaine from Redwater nephews of the deceased, and George and Daniel Prefontaine, cousins, served mass.

The honorary pallbearers were Daniel Montpetit, Roger Prefontaine, Leo and Fernand de Champlain, Walter Van De Walle and Lucien Montpetit.

The pallbearers were Paul and Henry Montpetit, Allan Keane, Herve St Onge, Roland Demers and Robert Montpetit.

Interment was held in the Legal Cemetery.

The Church Choir are commended for the beautiful mass sung for the prayers and funeral.

A special thank you is extended to all the ladies who prepared and served the delicious meal for relatives and friends at the Community Centre after the services.

## YOU CAN RAISE YOUR INCOME BY AS MUCH AS \$3,500 PER YEAR

RAISING CHINCILLAS WITH CANADA'S LARGEST CHINCILLA MARKET CO-OP

CHINCILLA has long been recognized as one of the world's most valuable furs. The velvety softness and light weight of chinchilla have contributed to the spectacular growth of this industry, and the demand for top quality pelts far exceeds the supply.

**ADDED INCOME** - second income families, in their spare hours produce most of the pelts sold on today's markets. You, too, can share in the millions of dollars being earned by these people throughout North America.

**CONVENIENCE** - most Chinchilla Breeders begin in the basement of their homes or in their garages. Chinchillas are among the cleanest of animals, odor free, quiet and gentle.

**INVESTMENT** - the Chinchilla business is one of the easiest, and least costly, in which to get started. If you are seeking security, are fond of animals and interested in making up to \$3,500 per year in your spare time, then as little as \$700 invested now can start you on the road to independence.

**CARE AND FEEDING** - Chinchillas cost less than \$3.00 a year to feed and we provide all force priming, killing, pelt and marketing services. Sire exchange controlled by IBM machines.
